SASEANEE Activities

SASEANEE participating in UNEP's Tide Turner's Plastic Challenge workshop

TTPC aims to raise awareness about plastic consumption. SASEANEE participated in a workshop held by CEE on May 1-2, 2024, in Ahmedabad, to implement TTPC in Bangladesh and Sri Lanka. The initiative involves organizations led by Probha Aurora in Bangladesh and the Young Biologist's Association in Sri Lanka. A brief session on SASEANEE was also conducted to increase participant engagement through the network.

Two new Core partners joined SASEANEE

WWF India and EEASA, South Africa have joined as SASEANEE Core partners. The new partners were welcomed and introduced in the third core committee meeting on 10th May 2024.

Celebration of Environmental Days

Engagement activities for important days were carried out through the SASEANEE social media pages and joint collaboration like celebrating world Meteorological Day with South Asian Meteorological Association (SAMA) was organised.

Third Core Committee Meeting held

An online Meeting with core partners was held on 10th May 2024 for direction on strategies to support the network's initiatives and plan on upcoming activities and events.

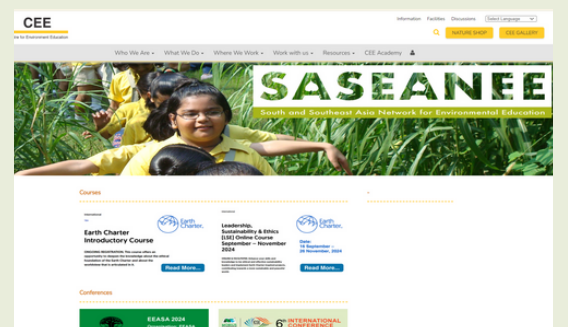

Launched SASEANEE CEE Webpage

A dedicated CEE webpage for SASEANEE has been developed with upcoming events posted from the region.
